

TUMMY WARMER

A must have for your dog!

(Great to be used by itself or with any of our outer coat wear)

QUALITY MATERIAL

Our Tummy Warmer is made with durable, stain resistant, U.S. made 200 weight Polar Fleece. The high grade and light fleece keeps your canine warm and comfortable. Careful stitching prevents any possible harmful abrasion of your dog from rubbing and contact. The Tummy Warmer is also machine washable for your convenience.

FUNCTIONAL DESIGN

Designed with your dog's body and comfort in mind – the Tummy Warmer contours to the body. No back overhang or edge stitching is made to ensure that your canine is in absolute comfort with it on. The under-part is unobstructed to accommodate your canine's bodily function and to prevent urine/fecal stain.

WIDE 3-VELCRO BAND STRAP

Our Tummy Warmer is secured with this under-belly wide band strap that provides coverage for the stomach area. The three Velcros band allows the Tummy Warmer to be easily placed on / taken off the dog, adjustable to adapt to a changing girth and is ideal to get a snug fit for warmth.

CHEST BAND

The wide front chest band keeps the Tummy Warmer in place without any restriction on your dog's movement. The design provides warmth and comfort – covering the chest area that tends to need extra coverage.

MACHINE WASHABLE
